Cast

A young man named Marty wasn't in time , he was going to return from the past that moment. Doc Brown appeared before him and his girl Jennifer, told that their future children needed their help and the doctor brought them in 2015. There they found out that one young group of criminals would set up Marty and helped him. When Marty with his girlfriend and Doc Brown returned in 1985, they learned that the present had changed on the worst aspect. The enemy of Marty's father and mother named Biff used car to move on 60 years ago. Marty was a stepson of Biff, and Doc managed to visit a mad house. They were going to travel to the past to overset plans Biff from the future.
